Chapter 1 : Living Room Furniture Set | eBay

Everything you need to make the right decisions. Providing the most comprehensive and up-to-date information and analysis of the Living and Dining Room Furniture market, and the behaviours, preferences and habits of the consumer.

The best online furniture stores offer a wide selection that is easily sortable for comparing pieces. Knowing what to expect before you walk into a store or start online furniture shopping can make your purchasing decision easier. Typically furniture stores can be described in one of five categories: These stores focus on one type of furniture, e. Best for interior designers and customers who already know what they want. Warehouse membership furniture stores: Get wholesale discounts for an upfront sign-up fee. Best for utility and commodity shoppers. Best for DIYers looking for easily "hackable" items like bookcases or dressers that can be used in nontraditional ways. Manufacturer branded furniture stores: These stores specialize in just one brand of furniture and may offer extended warranties, cleaning or service plans. Best for luxury buyers who consider their furniture an investment. Furniture stores that only conduct sales online can often afford to sell items at lower prices because of the reduced overhead costs. Best for cost-savvy shoppers always looking for a bargain and always reviewing refund and exchange policies. Buying several pieces of quality furniture at once may qualify you for package discount. For example, when you buy a bedroom set, it might come with the bed frame, nightstand, dresser and chest of drawers, all at a single, lower price point than the items would be if you bought them separately. You may also see special offers during holidays and storewide sales. If you want to match existing upholstery or order replacement cushions, there could be a fee for this type of service. The quality and materials used to manufacture furniture can play an important role in pricing. For instance, solid wood pieces tend to go for more than pressboard and plastic construction. How long you intend to keep your piece of furniture and how it will be used will determine when you want to invest in a better quality piece of furniture and when it is fine to spend less on a lesser quality piece. Shop during off-seasons to find great deals on quality items. The best places to buy cheap furniture will have their own sales schedules, but a general guideline is that indoor furniture is least expensive during the late spring and early summer, while outdoor furniture is least expensive during the late summer and early fall seasons. Nice cheap furniture is only a few clicks away. Stores like IKEA may have some great deals, but you could pay more for shipping and handling. Direct Buy has tons of cheap quality furniture available at wholesale if you join their membership. Hayneedle has lots of great options and runs frequent sales, promotions and discounts.
