**Chapter 2 : The Ultimate Law Firm Associate's Marketing Checklist by Year of Practice**

*The ultimate lawyers joke book by Larry Wilde, , Bantam Books edition, in English.*

Lawyers are like rhinoceroses: The Lord Chief Justice of Orbury was asked to donate a shilling. He advised her that he was holding her personally responsible for them staying frozen, mentioning in a very haughty manner that he was a lawyer, and proceeded to rant at her about what would happen if she let them thaw out. Needless to say, she was annoyed by his behavior. The receptionist suggested they set up an appointment for a convenient time for the spinster to come into the office. Would it be possible for the lawyer to come to my house? So she blew the car horn. The lawyer leans over to her and asks if she would like to play a fun game. The blonde is tired and just wants to take a nap, so she politely declines and rolls over to the window to catch a few winks. The lawyer persists, saying that the game is really easy and a lot of fun. He explains how the game works: The chauvinistic lawyer figures that since his opponent is a blonde he will easily win the match, so he makes another offer: The lawyer asks the first question. He takes out his laptop computer and searches all his references. He taps into the Airphone with his modem and searches the Net and even the Library of Congress. Frustrated, he sends emails to all his coworkers and friends he knows. All to no avail. After over an hour, of searching for the answer he finally gives up. The Madam opened the brothel door to see a frail, elderly gentleman. The two went up to a room for an hour, whereupon the man calmly left. The next night he appeared again demanding to see Natalie. Again the old man took out the money, the two went up to the room and an hour later, he left. When he showed up the third consecutive night, no one could believe it. Again he handed Natalie the money and up to the room they went. At the end of the hour Natalie questioned the old man: Where are you from? He handed it to Leon. Several hundred people followed the man. Curious, a pedestrian approached the man. The second hearse has a lawyer who opposed me in some business litigation. He met the same fate. As the lawyer climbed over the fence, an elderly farmer drove up on his tractor and asked him what he was doing. We settle small disagreements like this with the Texas Three-Kick Rule. He agreed to abide by the local custom. The old farmer slowly climbed down from the tractor and walked up to the city feller. You can have the duck. On the night before they were to be married, both were killed in an automobile accident. They found themselves at the pearly gates of heaven being escorted in by St. After a couple of weeks in heaven, the prospective groom took St. Is it possible for people in heaven to get married? I can get you an appointment in two weeks from Wednesday. Each time they reasserted their yearning to be married; each time God put them off for another year. In the tenth year, they came before the Lord God Almighty to ask again. This Saturday at 2: The reception will be on me! The bride looked beautiful. The Buddha did the flower arrangements for which Moses wove simple yet elegant baskets. Jesus prepared the fish course. Tragically, but perhaps inevitably, within a few weeks, the newlyweds realized that they had made a horrible mistake. So they made another appointment to see the Lord God Almighty. Groveling and frightened, they asked if they could get a divorce. He stopped and bought a ticket, whereupon the salesman hit him on the head, wrapped him in a rug and threw him in the river. The Public Defender noticed the same sign. He too bought a ticket, got hit on the head, wrapped in a rug and tossed in the river. The first applicant, an engineer, was asked how much he wanted to be paid for going. He sees a beautiful, well-dressed woman sitting on a bar stool alone. What law firm do you work for? One sat in the window seat, the other sat in the middle seat. Just before takeoff, an attorney got on and took the aisle seat next to the two physicians. The attorney returned and they all sat back and enjoyed the flight. As the plane was landing, the attorney slipped his feet into his shoes and knew immediately what had happened. This spitting in shoes and pissing in cokes? The cows were raised on his land, he said, they should be his. Why do you keep calling? He ordered his driver to stop and he got out to investigate. Thank you for taking all of us with you. He called his lawyer. Get me the course. Suddenly the old man was wracked with fits of coughing, and it was clear the end was near. Three guys were casting their lines to catch some fish and a couple was rowing in a small boat. Two crows were cruising by, eyeing for some targets to shit on. The younger of the two crows tried to show off and dove onto those three guys. But it went thud, thud, hitting only two of the three. The older crow went towards the couple in the moving row boat.

And it went thud, hitting only one of the couples. Then out from nowhere came this little bird, wings still wet like it was just been hatched. It dove towards those three guys. It swooped over to the row boat. Then a kid riding a bike came around. It flew over there. And it then rested on a tree branch. Where do you learn to shit on people like that? In my former life I was a lawyer. The farmer says that there are only 2 extra beds, and one person will have to sleep in the barn. In a few minutes, the farmer hears a knock on the door. He says that it is against his beliefs to sleep where there is a pig and there is a pig in the barn. So the lawyer is forced to sleep in the barn. A few minutes later, there is a knock on the door. Well, it caught fire, so here I am with the fire insurance proceeds. What are you doing here? Well, the river overflowed, and here I am with the flood insurance proceeds. While most of the doctors achieved enhanced sexual prowess, the lawyers simply grew taller. Researchers are at a loss to explain the results. He asked a senior partner whether he ought to send the judge a box of cigars. He went to a bar and asked this one guy how to get a date. Two tigers are stalking through the brush when the one to the rear reaches out with his tongue and licks the ass of the tiger in front. Cut it out, already. After about another 5 minutes, the rear tiger again reaches out with his tongue and licks the ass of the tiger in front. After about another 5 minutes, the rear tiger once more licks the ass of the tiger in front.
