The French established their own as well along the Mississippi River. Many settlers were dissenting Christian groups who came seeking religious freedom. Cash crops included tobacco, rice, and wheat. Extraction industries grew up in furs, fishing and lumber. English colonists were supplemented by waves of Scotch-Irish and other groups. As coastal land grew more expensive, freed indentured servants pushed further west. Relatively small Native American populations were eclipsed. Excluding the Native Americans, who were being conquered and displaced, the 13 British colonies had a population of over 2. Despite continuing new arrivals, the rate of natural increase was such that by the s only a small minority of Americans had been born overseas. Although the Spanish did not land, natives paddled to the ship to trade furs for abalone shells from California. Violence was not a significant factor in the overall decline among Native Americans, though conflict among themselves and with Europeans affected specific tribes and various colonial settlements. Native Americans were also often at war with neighboring tribes and allied with Europeans in their colonial wars. At the same time, however, many natives and settlers came to depend on each other. Settlers traded for food and animal pelts, natives for guns, ammunition and other European wares. European missionaries and others felt it was important to "civilize" the Native Americans and urged them to adopt European agricultural techniques and lifestyles. He returned to Hawaii to resupply, initially exploring the coasts of Maui and the big island, trading with locals and then making anchor at Kealahou Bay in January. Cook would be killed days later. Americans had developed an ideology of "republicanism" asserting that government rested on the will of the people as expressed in their local legislatures. They demanded their rights as Englishmen and "no taxation without representation". The British insisted on administering the empire through Parliament, and the conflict escalated into war. The fourth day of July is celebrated annually as Independence Day. Nationalists led the Philadelphia Convention of in writing the United States Constitution, ratified in state conventions in. The federal government was reorganized into three branches, on the principle of creating salutary checks and balances, in George Washington, who had led the revolutionary army to victory, was the first president elected under the new constitution.
