CVG is a global leader in customer management. What do we do at Convergys? We provide solutions that drive more value from the relationships our clients have with their customers. For example, when you have a question about your cable bill or want to change plans on your cell phone, and you call customer service, you just may be talking with a Home Agent. Where is Convergys Work At Home hiring from? Convergys is currently accepting applications from the 48 U. We are currently hiring from these states: Are there any up-front fees to become a Convergys Home Agent? Convergys does not charge you to become an employee of the company. If you meet the necessary computer and Internet connectivity requirements, you will be eligible to be a Home Agent. What Can I Expect? We have day shifts, evening shifts, and even overnight shifts. Agents work 8 or 8. Full time equates to 40 hours with many programs offering overtime hours. Part time schedules are hour shifts, equating to hours per week and also allow for overtime hours. Working specifically on one client account with training dedicated to the information and skills needed to succeed. What are some common myths? Everybody has their own idea of what "working from home" means. Here are some common myths: I can work my hours whenever I want. I can put my customer on hold while I run to the refrigerator to grab a quick snack. I can DVR my favorite shows and watch them while I work. I can take care of family members. I can take the dog out for a quick walk. I can fold laundry while I talk to customers. Although we appreciate the individual who can multi-task, our Home Agents must portray the utmost in professionalism while on the phone. We cannot allow any typical home background noises to come across the phone line while speaking with customers. Successful Home Agents must be computer savvy, comfortable navigating between several systems simultaneously. You will have the flexibility to be hired into the particular window of time and shift time that you are looking to work. Some folks truly do prefer late night hours and split shifts. What is the compensation structure? Our home agents receive paid training as well as a set hourly wage. Some positions also qualify for performance based incentives in addition to the hourly wage. Employees are paid for their hours worked, not per call answered. They also qualify for employee benefits. Convergys offers comprehensive benefits: Requirements Our work from home positions involve heavy phone communication with customers, utilizing a wide variety of software tools to navigate customer accounts, problem solving skills, and the ability to communicate effective solutions. We are seeking individuals with previous customer service experience, possessing the ability to quickly navigate various applications simultaneously on their computer. A quiet home office space, free of distraction, is required. Technical All technology requirements must be provided by the employee and must be maintained in good working condition. All costs to meet these requirements, including repairs, monthly telephone, and internet charges are the responsibility of the employee and are not reimbursed by Convergys. Convergys requires Internet not be used for non-work related purpose during working hours. This includes media streaming, gaming, or web usage by other members of household.

Chapter 2 : FAQ - Apple At Home Advisor - Jobs at Apple - Apple

Train At Home To Work At Home: How To Get Certified, Earn A Degree, Or Take A Class From Home To begin A Work-At-Home Career by Michelle McGarry is a good book. I might argue that the main reason that most folks want to work at home is to earn money.

Every week, I provide a lot of home-based opportunities, video tutorials, and job leads. November 7th, by Lashay.

Chapter 3 : 21+ Legitimate Work from Home Companies That Hires Frequently - Apply Today!

Free Training At Home Information. The key to landing any job whether it be work at home or not, is having the skills that employers want and demand.

There are a number of companies that offer around-the-clock support to their customers. Often advertised positions include: If you are looking for a part-time job that allows you to work flexible hours, work from home from anywhere in North America, the Contact Center Work From Home Program might just be what you are looking for. Available hours can start as early as 4: The AHA position is part tech support and part customer service rep – it all depends on the nature of the customer inquiry. Sometimes Apple hires specifically for chat agents and other times they need individuals who can provide phone coverage. This is a work from home position and we can consider candidates from cities across the US – you do not need to live in the city this is posted in to be considered. All AHA positions are employee-based which means great benefits and very competitive pay. Fancy Hands Fancy Hands is a crowdsourced virtual assistant company. They have clients all over the world sending in tasks from, you guessed it, all hours of the day! This means you can login at 3: You can define your own hours. If you want to work , perfect! I worked for Fancy Hands for about six months. Being able to work whenever was definitely a huge draw for me at the time. Payments are made every two weeks through Dwolla. Search Engine Evaluator Search engine evaluation offers many overnight work from home jobs! As a search engine evaluator you help improve search engines, like Google and Bing, by rating the relevancy of search results compared to a search term. You will be judging a lot of search terms, like this, using your knowledge of current events and pop culture. There are several well-known and reputable companies that frequently hire search engine evaluators. Most of the time these positions are super flexible and let you work whenever you can as long as you hit a certain number of hours a week. Plus, American Express offers some pretty great benefits to their employees and is considered a great place to work day or night! If you are passionate about providing superior service to small business customers, driving results and working for a world-class global brand, then the American Express Home Based Servicing HBS Customer Care Professional position may be an ideal fit for you. As a Virtual Customer Care Rep, you can work as late as 1: This opportunity is available to candidates in almost all states excluding California, Alaska, and Hawaii. Transcription There are a lot of companies that hire transcriptionists to work remotely. If you think you need a ton of experience to be a transcriptionist – think again! Many people get started in the industry with absolutely zero experience. In fact, there are a number of companies open to contracting with complete beginners. For those interested in making a career out of transcribing, I suggest visiting Transcribe Anywhere for advice. They have plenty of helpful information including a free mini ecourse that lets you explore a career in transcription before getting started! Although Rev also offers transcription and translation projects, they almost always look for captioners to join their team. From their hiring page: Work as much or as little as you want, whenever you want. Choose which projects you want to work on. We have a wide variety available. You will have to caption three practice videos before being offered a paid contract. Once you get going, there is almost always work available. Freelancing An estimated 1 in 3 people now freelances and enjoys the freedom and flexibility that goes along with it! One of the easiest ways to get started is by joining Upwork. When you take the time to set up your profile and send thoughtful proposals to clients, you can start landing gigs in a matter of days. You can also go solo and find your own freelance clients. This method can take a little time before you start seeing any work but you have complete freedom over your career including the days and times you work! There is a valuable course on Udemy called Freelancing: If you really want to establish yourself as a freelancer, that course is a great place to start. Whether you have caretaker responsibilities during the day or simply do your best work in the evening, there are plenty of overnight work from home jobs to choose from: Grab Your Free Guide Subscribe now to get your free copy of the work from home quick-start guide. Chapter 4 : Work From Home Jobs Will Train â€™ Work From Home We Train You jobs

Search Evaluator #17 - Appen Butler Hill - This international company contracts social media evaluators to work for home. Once you are done with the train you stand to receive over \$13 per hour.

You would need to be a certified Teacher in certain States but they prefer a degree. The classes are taught online and the students are corporate employees who are interested in learning Business English. This is because their job depends on their accurate communication skills. You will be required to be available for 4 hours a day for a minimum of 20 hours each week. They then hire you to work as an independent contractor in that capacity carrying out various tasks that include making and receiving calls, logo creation, appointment setting and web design. Leapforce â€™ This company hires people from several different countries to be Search Engine Evaluators. You work as an independent contractor. Your feedback will help them improve the performance and results of the search engine they represent. You need to take an exam that comes in two parts before you can be considered. They hire agents to work from home receiving calls. You need to be based in the USA and you get extra incentives in addition to your hourly pay. You are paid twice a month on the 5th and on the 20th by direct deposit. Talk 2 Rep â€™ You will be working for this company as a Chat Agent online. The job involves customer assistance where you will be required to answer questions regarding the wireless features. Liveops â€™ This job involves receiving calls for infomercials on TV. The schedule is very flexible and you can work for as little as 30 minutes at a time. You are not expected to have previous customer service experience. You are paid for the amount of time you spend talking on the phone. As such, if the call volume is low, you may find that you are not earning enough. The position is open only to US residents and you would be an independent contractor. You need to have a minimum of 2 to 3 years business experience, excellent organizational skills and good grammar to apply. Once you are hired you are entitled to receive benefits. Sedgwick â€™ The position available in this company is insurance claims filing. You will need to work on your phone as if you were working at a call center. Some of the positions include providing chat support online and helping customers via fax or email. These positions are open to residents in the US and Canada. You must have a dedicated phone line and USB headset I personally recommend this one here. The work though, is dependent on the project and the client. This company has received some very good ratings. You would have to be an independent contractor working for this company. Ver-a-Fast â€™ Phone Agent is the position offered by this company. You would be speaking to customers all day, assisting them with their newspaper subscriptions. You need to ensure customer satisfaction and if their subscription is expired, encourage renewal. Payment is made every week by check. Gengo â€™ This company hires freelance Translators who are able to speak multiple languages. Open to multiple countries. If you are familiar with the social media world, this could be a great part-time option. If you are looking for a flexible work at home opportunity, this could be an ideal position since you are your own boss. It is mandatory that you become an IBO which may require some fees. Chapter 7 : 20 REAL Companies That Want To Hire You For Work From Home Jobs [in]

Training online for a work at home career just didn't exist. But with the rapid growth of the Internet, working from home has become not only possible, but commonplace. Whether it's starting your own home business or working online for a company, if you truly want to work from home, today, you can!

Now, exposure to at-home employment opportunities has exploded, and a wide range of job ads are just a mouse click away. But so are the scams. In , when The Rat Race Rebellion began tracking at-home jobs, there were 30 scams for every legitimate opportunity. Durst, whose company Staffcentrix develops home-based and virtual career training programs, says people interested in work-at-home jobs primarily are: For those who do choose to walk the tightrope between paid work and parenting, consider deadline-oriented work. Read More from Bankrate: Writing the right resume Steven Rothberg, president and founder of CollegeRecruiter. He says he believes social introverts make good candidates. They dislike working in person with a lot of others," he says, because of meetings and other "time-sucking problems" at an office. Self-motivation, discipline, job skills and independence are key characteristics for at-home workers, says Stephanie Foster, a former medical transcriptionist who runs the website HomeWithTheKids. A growing number of employers appear to believe telecommuting is a good deal for them as well. It reduces overhead expenses, allows access to talented workers who may not be available locally, provides off-hours support and helps retain employees, says Sara Sutton Fell, CEO of FlexJobs. Virtual assistant This is a field with much potential, in part because the title description covers many things. One can own a virtual assistant business or work from home for a company that makes you available to other employees or clients. The work involves listening to and typing up dictation from doctors -- some of whom have difficult accents, slur words together, and even "eat, drink, chew gum and talk to other people in the room" while dictating, she says. But hearing about medical matters can be interesting, and good transcriptionists are in very high demand. Translator Those with fluency in more than one language translate audio files or documents, not just word for word, but often with cultural differences in mind. Read More on Bankrate: Terri Orłowski, a virtual assistant and web developer based in Pittsburgh, offers services such as custom website design, template modification and redesigns, code updates, hosting and usability reviews. She previously held administrative positions in a variety of industries and makes a higher per-hour rate now. Out of more than , new monthly work-from-home job postings on oDesk. A list of companies that post at-home tech jobs is available at RatRaceRebellion. Call center representative When you phone to order something from a catalog or infomercial, a big office with rows of cubicles may come to mind. But the person on the other end of the line is likely to be sitting in a home office. She says the "home-shore movement" started in response to complaints about the many companies that looked offshore for workers. While some websites such as AlpineAccess. Just be aware that the pay may be by the minute rather than by the hour, so you may not be paid for time you spend waiting by the phone. A list of companies that hire call center reps can be found at HomeWithTheKids. Tech support specialist Call centers also hire technical support specialists to work remotely. Kate Lister, co-author of "Undress for Success: Travel agent Scams abound in the travel industry -- particularly organizations that charge for information on how to break into the field. Teacher From postsecondary education to elementary schools, there are opportunities for students to learn virtually. Along with that come opportunities to teach and tutor virtually. While distance learning is not new, advanced technology, collaborative multimedia software designed for schools and high-speed Internet connections have created more opportunities for teachers and students to work together from afar, says Fell. Even those without writing experience can join the blogosphere. Owning a business can be the road to at-home work. For an initial investment, franchises may offer a ready-made business with brand awareness, a system and a territory, says Leslie Truex, founder of the website WorkAtHomeSuccess. Read this story on Bankrate. She advises considering businesses that target the over crowd or the self-employed, involve health and wellness, relate to the "green" movement, or involve electronic or online devices i. Scam alert When considering any at-home job, put up the scam-detection radar. Durst suggests watching for these positive indicators of "real" employment: This work is the opinion of the columnist and in no way reflects the opinion

of ABC News.
