Chapter 1 : Shirlee McCoy | Open Library

Valley of Shadows has ratings and 15 reviews. Wendy said: #5 The Lakeview Series She saves a man's calendrierdelascience.com puts her life in calendrierdelascience.com they a.

Seriously, I did not want it to end. Maybe that had something to do with the fact that I could totally picture Hawke as a Russell Crowe alla "Proof of Life" type of man just with longer hair. Miranda represented the everywoman. She reacted how, I think, a lot of women would react in um The suspense was superb and had me flipping the pages like a madwoman. I really wish that it was a full length book, for many reasons, but most notably: Some writers may not be able to handle that very well, making the story seem hokey and unbelievable. Shirlee McCoy, however, is not one of those writers. The relationship between Hawke and Miranda actually comes across as genuine and real - well developed versus thrown together before the final pages. I wanted to read more of their story because I was SO invested. The story drops the reader right into a fast moving and suspense-filled journey. From the moment the heroine Miranda prevents the murder of a complete stranger the hero Hawke Morran , and he in turn escapes with her in tow, we are treated to an action packed ride that begins in Virginia and quickly heads to Thailand. In the meantime, Hawke is accused of murder and Miranda is now pegged as his accomplice. Racing against the clock and the bad guys, Hawke and I was pleasantly surprised by this book. Racing against the clock and the bad guys, Hawke and Miranda must find the evidence to clear themselves before either the bad guys, or the good guys, capture the fugitive pair. Along the way, these two souls, thrown together by circumstance or maybe Kismet manage to bond together in a totally believable way. He must take her with him to save her. Lots of action and adventure in Thailand follow them as they try to clear their names. Apr 03, Marybelle rated it it was amazing This is my umpteenth reading of this book, and totally loved it. We learn so much about how God brings the most unlikely of people together to overcome great obstacles. Hawks and Miranda are so perfect for each other because they complement each other so well.
