As scheduled earlier, the examination took place before July. As usual, the question paper was moderate and most of the candidates answered for all the questions. There were totally questions for marks and the exam took place for a period of 3 hours duration. Now, the candidates can check your answers with the answer key which is available in the official site. This exam will be take place on pen and paper mode. Aspirants have to mark their answers on the answer sheet provided for them during the examination. Depending upon the marks secured by them in the written test, a final mark list will be prepared in descending order. Based on the availability of vacancies, eligible candidates will be allotted to their respective district, at the time of counseling. Written Examination Exam Pattern: The VAO exam consists of two sets of questions papers which are merged together. Candidates were given three hours time to complete this examination. As there were no negative marks for wrong answers, most of them answered for all the questions. The minimum pass mark set by the commission is But getting this mark will not make you pass in this exam. As the competition has increased, the minimum cut-off mark was about , last year. Candidates have to be ready with their question booklet and a pen for marking the answers. No need of any registration number for viewing your answer key. There you have click on the Answer key option and you will be directed to a new page. On the next page, below the answer key column, click on the date which is near to the concerned exam name. A PDF file opens on the new window. It will contain the scanned image of the questions paper with answers marks on it. Now the step wise instruction for viewing the answer is listed in the below section. After downloading the file, take your hardcopy of the question booklet and keep it by your side. If you have already marked the answers on the booklet, then just check whether the marked answer is correct or wrong. If your answer is right, then put a tick mark near that question. Add 5 marks for each correct answer and total the marks.
