

Chapter 1 : Lord Jesus what should I do? | Yahoo Answers

*I asked, 'What shall I do, Lord?' and the Lord said to me, 'Get up and go into Damascus, and there you will be told everything that God has determined for you to do.' Holman Christian Standard Bible Then I said, 'What should I do, Lord?'".*

Would you like me to teach at your church or gathering? Contact me by email. I would like to speak to your group about "How to Love God More. How to love God in ways that result in receiving His presence continually! You can take steps to love God more whole-heartedly! Elsewhere on this site it is discussed at length about how God defines idolatry in terms of ways we find refuge, strength, and glory apart from Him. It has also been noted how the earthly sources we depend on are always close to us—our personality, our appearance, what we do, what we know, the approval we feel from others. Sometimes we even love our doctrines or where we go to church as our place of refuge and strength. It is vital that our love for God increase in ways that help to decrease our love for earthly sources. Because God defines idolatry as "other gods" that are close to us, it is our love for the closeness of God that must increase. The question is how. Some people try to scold themselves into loving God more but that kind of love can only be superficial. It will never be warm and passionate. Loving God more, is about a heart-felt response of pleasure and thrill to what our heart believes and loves about God. Doing this will help you make God your first love, your greatest treasure, your refuge, your glory, and your strength. Loving God more is about loving the person of the Holy Spirit whom you are trusting is close to you, inside you AND who is touching you all around. Four things are most important for loving God and experiencing His presence more fully. Note that the process of loving God more never ends. Much more is said elsewhere on this site about the scriptural basis for why it is right for you to believe and love these about God and your relationship to Him. Much more is also said about how to help your heart to believe and love these things about God. Because God is God we can never "arrive" at the goal of believing and loving Him as we should. More is always possible! The promise is that when you draw near to God He will draw near to you James 4: It also says that to please God, you have to believe that He rewards you with His presence any time you are seeking Him, "And without faith it is impossible to please Him for he who comes to God must believe that He is and that He is a rewarder of those who seek Him" Heb. Remember that your faith pleases Him! Even though your heart may be in disbelief, you still know with your mind that God is a God who keeps His promises. He will draw near to you when you draw near to Him! And, Your faith to trust Him to draw near gives Him great pleasure! So, wake yourself up! Even though your heart may not be in it, keep thanking Him with great joy because of what you know in your mind to be true about God. Listen to your thanks and praise toward God! Eventually your heart will hear, you will find freedom to believe it, and your love toward God will grow! The more you grow to love the exalted state of God the less it will require pure discipline to remain in the throne room before the Lord. Your love for God will grow so strong that loving Him and loving the confidence and security that His closeness gives you is what will keep you there. You will find it MUCH easier to stay before the Lord because abiding inside His radiant presence will have become your greatest treasure. The principle is simple; "where your treasure is, there your heart will be also" Mat. Grow in your love and delight toward God, and discipline to keep doing it will come naturally. It will also be more fun. Increase your love for God by being very intentional about "hearing" and believing your own thanks and praise concerning the truth about the radiant-glory of His love, kindness, and power that shine from Him and onto you here. In this way you will be applying the scriptures to "ascribe glory to the Lord. All of that to say, draw near then "practice the presence of God. We love the glory of winning in sports, the glory of a new car, the glory of beauty, the glory of having a close friend. It is in this same way that we need to love God. We love these things because God made us need something that would make us feel confident and secure. Observe your level of delight in the glory of natural things and be intentional to reapply an even greater level of delight as you thank the Lord about His greater glory than that of earthly things. Direct your heart to love depending on God because anything else is idolatry. Remember to love God as you would a person close to you. Then, fan your love for God into a strong flame by being intentional about exalting and

loving Him as the God who really is better than all the "other gods" of this world. Tell everything in the unseen realm about that! Nurture enjoying the eternal significance of loving and worshiping God "knowing that your love and worship greatly honors God in the heavenly realms before a vast audience of angels, saints now living in heaven, and before demonic beings in spiritual realms Eph 3: Enjoy doing that and you will find yourself worshiping God in spirit and in truth John 4: Thank God for the truth about God and do it in a way that is consistent with what you know in your mind about Him. Doing that is a fitting and proper response to what you know in your mind to be true about God! Soon, your heart will hear. Your love for God and His closeness to you will grow. But let me emphasize again that you should NOT think of what is coming from the Lord as just "radiance" or light or water. God is shining the person of the Holy Spirit onto you. All the attributes of God are being radiated upon you in the person of the Holy Spirit. Be intentional about loving Him while thinking about God as a person who is right there close to you. When you make it your habit to continually increase your love for the Lord then drawing near to God and remembering to stay before Him will become much easier for you. Use your natural inclination to love of glory and aim that love toward God. Do this with thanks and praise intentionally aimed to thrill your heart about the glory of your access to God, His abundant grace to draw near to you, and about the greater glory in all of His attributes. The more you love being before the Lord and the more you love the radiance around God, the more you will be free to receive His presence that comes to you because of the radiance around Him. I can and will direct my heart to love You God! That section is called, "Heart-training Condensed. There are times when you just have to arouse your heart to wake up. The Bible says, " There is no one who calls on Your name, who arouses himself to take hold of You; [and as a result] for You have hidden Your face from us and have delivered us into the power of our iniquities. Wake yourself up by strong and assertive thanks and praise for the truth. You can enter before the Lord. You can enjoy the shine from His face. You can take hold of God. God has made a way. Believe the Intensity Jesus said we have to, "believe in the light, in order that you may become sons of light" John I believe it is in reference to our God being a fountain of glory that the Bible says, "The God of glory thunders" Ps. The Bible also says, "His voice was like the sound of many waters" Rev. David drew close enough to God that he could hear the roar of the fountain of God: O Lord, they walk in the light of Your countenance" Ps. It is no wonder that the Bible says of God, "I have wiped out your transgressions like a thick cloud and your sins like a heavy mist. Return to Me, for I have redeemed you" Isa. Let me emphasize again that grace is the reason you can drink receive from God: For with You is the fountain of life; in Your light we see light. When you think of the radiance of our Lord, nurture believing the vast volume of the His Spirit that flows from Him. Once you learn to stay there, the result will be a river of His Holy Spirit flowing around and through you John 7: Nurture faith to believe and freedom to receive by thanks for the truth about God and your access to draw near with nothing between you. You just open your eyes and look. The same applies with God. David is our best example, "One thing I have asked from the Lord, that I shall seek: You can nurture your faith enough to "see" like David did. Our Lord Jesus prayed for us that we would be able to see His glory"even while we are still living: When, by faith, you believe you are before the Lord, take time often to consciously trust that you are turning the eyes of your heart to look at Him"in all His glory. Contemplate each and every one of all His attributes as you look at His presence being shined upon you. Praise Him while you are doing looking at Him in this way. This point is very important because it will strengthen you against temptation and will help you to stay turned toward God and loving Him. Directly related to this Old Testament passage are some things that Jesus promised us, "Come to Me, all who are weary and heavy-laden Doing so, requires that we "come to Him" and "drink. I am only saying we should trust that we are looking at Him. David said, "For Your lovingkindness is before my eyes" Psa. When you are trusting you are looking at the Lord, contemplate His lovingkindness and all the attributes of His Holy Spirit being radiated upon you. With a heart full of faith, simply trust you are looking at His radiance.

### Chapter 2 : "What Should We Do?" – Luke (What Jesus Did!)

*"The LORD is good and does what is right; he shows the proper path to those who go astray. He leads the humble in doing right, teaching them his way. The LORD leads with unfailing love and faithfulness all who keep his covenant and obey his demands" (Psalm , NLT).*

Lord, What should I do? I hope they encourage you and draw you nearer to the Lord. Recently, I submitted a book proposal to several Publishing Houses. To my surprise, I have been offered two contracts by two different publishers. Lord, What Should I Do? Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him. When it comes to making decisions, we tend to base them on our emotions and our thoughts. However, the principles of God are. First, our key verse tells us to let the word of Christ dwell in us. The truth of God is whatever God is saying to you. So before you decide who to date, what to do for a living, or which house to buy, listen to what God says first. Then compare what you think is right to what God says is right in His Word. The Greek word for rule is the word we would use for referee. A referee is someone who wears a whistle. If the ball is about to go out of bounds, the referee blows the whistle. You and I have a heavenly referee, the Holy Spirit, who gives us a great deal of freedom to live our lives. The Christian life is not a restricted journey. We are free to live and move and make choices. Although, when we are about to step out of bounds, the Holy Spirit blows his whistle as a warning. That warning comes often in the form of a lack of peace. Others may be struggling emotionally or with financial decisions. There are those who are facing their career ahead, and others who are facing their retirement. Decisions need to be made. Yes, you have feelings and thoughts about these situations. Only the principles of God are entirely dependable. Thank You for providing a way for me to make good decisions while glorifying Your name. As I meditate on Your Word, speak to my heart and guide me with Your peace. Remember to compare what you think to what God says. Wait for peace, and be sure that you can stamp His name on it. If you can, then go for it! What is your method for decision making? How has your method been a benefit to you? Who do you think is wiser when it come to the decisions you need to make in life: He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come. You will be like a well-watered garden, like a spring whose waters never fail.

### Chapter 3 : How can I know when God is telling me to do something?

*This book is designed to answer the question, "Lord, what should I do?" About the Author Fred R. Coulter attended the University of San Francisco and graduated from San Mateo State College before graduating from Ambassador College, Pasadena, California, with a BA in Theology in*

April 16, posted by: And he answered him, Pursue: They were ready to see their wives, their children, get a home cooked meal, get some rest but instead what did they see? Their city burned and destroyed, families missing and cattle gone. The Amalekites had come while they were away and completely eradicated the city. All eyes were on David. All fingers were pointing to David. If you were David, what would you have done? Quickly leave the scene? His two wives had been taken captive as well. He knew the people were blaming him, he knew they were plotting to kill him, he knew of the possibility of the Amalekites harming his family, he was fully aware of the situation that he was in. However he did not let his situation cause him to forget his God and take the matter into his own hands. Instead his situation drove him to seek God for direction. David had been in battles before and was successful in them. No, David did not let his past success cause him to think he could win this battle also, on his own. He was asking God, What should I do? It did not matter to David how big or how mighty the Amalekites were, nor did it matter how many weapons they had. He did not start stressing out nor freaking out. He knew if God said I am with you, then God was with Him. He knew that God would not speak unless he was going to perform it, He knew that God was faithful, all-powerful and would deliver just as he said he would. It did not matter to him that his followers, were talking about stoning him. David only needed to know two things from the Lord: Should I pursue and will I overtake? Your God that hears, your God that delivers, your God that holds the plans in his hands and you can inquire anything that you want to of him. David wanted to know-Lord, What should I do? He wanted direction and guidance that only God could give. It was God that had the answer to his problem, It was God who could show him how to get his family back, it was God who could show him how to recover all. He trusted God and because of this, he recovered all. Sooner or later there will come a time in each of our lives where we will be faced with situations that only God can fix. Whatever it may be, God said to give all your worries and cares to Him, for he cares about you, 1 peter 5: But David did not count it as over with nor considered it as hopeless. He turned to his God and trusted him to see him through. God you hold the answer. You know how to fix it. You know how to solve it. I pray God that you would strengthen their hearts to turn to you. Strengthen them to seek you and strengthen them to wait on you. God show them the way, lead them, guide them, and direct them. All that they lost, bless them to recover all. Show them your power and your greatness. In Jesus name, I pray amen! From my heart to yours I ask that you please share this message. I know there is someone out there who needs to read it and please share a word of encouragement in the comment section below for other who read this post. God bless and Thank you!

### Chapter 4 : God, What Should I Do? Sermon by Jimmy Haile, Jeremiah - calendrierdelascience.com

*As it turned out, it was exactly what the Lord wanted them to do. Jesus was leading them, just differently. As they did the next thing Jesus met them and directed them.*

### Chapter 5 : Lord, What should I do?

*Do not think that your love will be able to "change" a rogue into an angelic peronality (only Jesus Christ can do that; it's out of your hands). If the person does not have a solid character and a fairly solid faith, you will be building a relationship not upon a solid "rock" foundation but upon the "sand" instead (Mt 7: ).*
