Sisters are different flowers from the same garden. Of two sisters one is always the watcher, one the dancer. A sister is a forever friend. Because i have a sister i will always have a friend. A sister is someone who is there and understands who you. Brothers and sisters are as close as hands and feet. A sister is a gift to the heart, a friend to the spirit, a golden thread to the meaning of life. I would like more sisters, that the taking out of one, might not leave such stillness.. We have the sister sayings that will make you nod in agreement about how annoying sisters can be!!! My sister is the sweetest little thing alive! Words can hardly describe my love for her, she is my best friend. Our path may change as life goes along, but the bond between us remains ever strong. I miss you my sister. People come and go, friends change like the weather but I know my sister is here forever. Having my sister around can make the difference between heaven and hell. A sister can be seen as someone who is both ourselves and very much not ourselves - a special kind of double. I would like more sisters, that the taking out of one, might not leave such stillness. Sister and Best Friend - Two words that mean the same. Because angels are sometimes busy elsewhere, God created sisters like you. A sister is for telling secrets and making promises that will never be broken. Sister and Friend two words that mean the same. I love the fact that my best friend just so happens to be my only biological sibling, my sister. We have the sister sayings that will make you nod in agreement about how annoying sisters can be. You are my sister and I love you to freaking death. Having a sister is like having a best friend for life. A true sister is a friend who listens with her heart. In the cookies of life, sisters are the chocolate chips. Sweet, crazy conversations full of half sentences, daydreams and misunderstandings more thrilling than understanding could ever be. Sometimes being a brother is even better than being a superhero. Happy Raksha Bandhan everyone.. Rakhi is a perfect time to tell you just how special you are and how much you mean to me! Wish you all the peace, prosperity and success on this Raksha Bandhan. How good it is to have a sister whose heart is as young as your own. But to each other, we are still in junior school. You need the tool to traction the skin a bit. But not to the point where its burning the skin to rub it. Just like in the video start by lightly going over the whole affected area. PRoblem areas will highlight themselves by turning red. You will also feel crunchy stuff or gravel in the muscle. That is the scar tissue. Focus on those areas. Do not over due it to the point of bruising. Do it until you see tiny red blotches. That is a return of bloodflow to the area which will promote proper healing. For tools I use the dull side of a butter knife to scan. Then I use the handle of a long hard plastic spoon from the kitchen. Other than this, look up some pec stretches. The best one I have found is to stand in a doorway with your arm bent up at the elbow so your hand and eblow are on the door frame. Then step thru the door to stretch the pec. After all that give it a quick pump. Maybe a band or a cable or a light dumbbell like 5 or 10 pounds. Do sets of 15 to 10 reps of flys and work the angles of it. Then do pressing motions with the same weight and reps and work the angles. Do this for 6 weeks before you pick up a barbell again. Then start building back very very slowly. You have to give this time or you will just tear it again. First round of Natty Boh is on me when I make it up there with you brother.
