Maisy has a special stick, and she finds all sorts of uses for it. A yellow window frame, a blue door, a green roof and red walls. Although it is only make believe Charley finds out that nothing is like the real thing. Charley slides down into a paddling pool in his blue swimsuit, Cyril spins yellow plates in his yellow outfit, Tallulah balances on the high wire in her pink tutu with her pink umbrella, Eddie bounces on his orange trampoline in his orange shorts and Maisy swings on the flying trapeze in her red leotard. Maisy and Cyril try to make him feel better. Charley arrives early and decides to help. Maisy hides a dark blue egg in the wheelbarrow, a red egg under the bush, a purple egg under the flower, a green egg on the corner of her house, a pink egg on the windowsill, a yellow egg under the plant, a light blue egg on the branch of a tree, an orange egg in the bucket and Charley hides another dark blue egg under the bush with the red one. Maisy and Eddie find an apple tree, an orange tree, and a banana tree until they eventually find a pretty lemon tree. Maisy picks three lemons, enough to make the lemonade. Maisy and Eddie cut the lemons in half, squeeze out all the juice, add some water and finally enough sugar to sweeten it. It becomes dark a few moments later, and Maisy notices a star in the sky. She then plays "Twinkle, Twinkle, Little Star", along with which the narrator sings. He soon forgets his worries though, and finds that splashing about in the water can be as much fun as anything else. Charley stands under a cloud but the only problem is that it seems not like it is going to rain! Tallulah thinks so also! They vacuum, put away toys from under the sofa and clean the windows. Maisy knows what to do though. Maisy and Cyril find out when Cyril drinks his lemonade just a bit too quickly! As the icicle begins to melt, decides she to find a way of keeping it. They both find it eventually, in a most unexpected hiding place. Maisy makes a snowmouse and runs off to play in the snow with her friends Tallulah, Charley and Cyril. When Maisy gets covered in snow know her friends not which one is the real Maisy! After putting an ill Panda to bed and coming down the stairs, bumps Doctor Maisy her nose by Nurse Tallulah who soon bandages it up. Tallulah wants to go in first, but she likes no cold water! However, she later jumps into the pool and has fun. Cyril really needs to go to the bathroom, but Maisy saves the day. The two build an igloo together. A little bird soon joins them. The only problem is that Eddie is much too big to squeeze in with everybody else, so he finds his own way of playing. It is so muddy that she sees lots of different footprints and decides to follow them, meeting lots of different friends on the way. She sees a bird, a zebra, Eddie and Charley who is wearing boots.
