Associate Information technology opportunities at West span the breadth of careers in telecommunication. Not only do we provide award-winning, multi-channel communication solutions to well-known companies in the tech, retail, healthcare, utilities and education industries – we also own and operate the advanced global infrastructure that operates our products. As we continue to expand and evolve our technological capabilities, each step forward requires the dedicated teamwork of talented, passionate and inventive thinkers. You can expect to be part of a team that encourages experimentation and strives to be the definitive leader in next-generation communications technology. We are constantly evolving and adapting our products and services to meet changing client needs and exceed their expectations. We look for people who have a finger on the pulse of social media, online culture and international tech and business trends, and who have the skills needed to tell our story that effectively sell our services and solutions. Our first-class training programs and support systems will provide you with a solid foundation on which to build your career. Our company is driven by smart, personalized business strategies and our Corporate Services team is vital to making those strategies a success. The team is responsible for supporting all major business initiatives through a variety of internal departments. Our corporate environment is fast-paced and comprised of a diverse group of energetic, organized, goal-oriented people. Connecting with our clients means being present and helpful long after the initial sale has been made. Our Client Services department draws upon extensive industry experience to provide expert post-sales customer service. The members of our team utilize their product and platform expertise to build and manage key relationships, discover and negotiate complex business opportunities and optimize revenue growth. Successful candidates should have an interest in relationship management, a strong client focus and a deep analytical skill set. West Associates have the opportunity to get involved in multiple aspects of our business, with positions that typically revolve around revenue generation, customer support and client satisfaction. As an associate at West, you are the face of our company, interacting directly with customers and clients to handle service changes, problem solving and general customer inquiries. We look for personable, flexible, quick-thinking candidates who are comfortable interacting with different types of people and conditions in order to further the mission of our company. Perks are important, and great benefits are vital. Knowing you have the support of your company on a holistic level is better for you, your family and your future. Additionally, we make rewarding our employees a priority, recognizing exceptional dedication and accomplishments through our Service Award Program. Apply Today Comprehensive Coverage West gives employees access to comprehensive medical, dental, vision, life, disability, critical illness and hospital indemnity plans, along with unlimited, confidential access to a personal health advocate.
