

## Chapter 1 : Actor's Art and Craft : Damon DiMarco :

*William Esper, one of the leading acting teachers of our time, explains and extends Sanford Meisner's legendary technique, offering a clear, concrete, step-by-step approach to becoming a truly creative actor.*

Find Free WordPress Themes and plugins. Did you find apk for android? You can find new Free Android Games and apps. Esper worked closely with Meisner for seventeen years and has spent decades developing his famous program for actor training. The result is a rigorous system of exercises that builds a solid foundation of acting skills from the ground up, and that is flexible enough to be applied to any challenge an actor faces, from soap operas to Shakespeare. In this book he recreates that experience for us, allowing us to see how the progression of exercises works in practice. His approach is flexible enough to apply to any role, helping actors to create characters with truthful and compelling inner lives. *Dialects for Actors* is meant for anyone interested in learning well-spoken Neutral American Speech aka General American. Each Neutral American vowel, diphthong and consonant sound is described, along with an accompanying audio track, and sound checks of common difficulties. In addition, the International Phonetic Alphabet is covered and practice exercises are included, along with chapters on rhythm, stress, use of the weak and strong forms of words, linking sounds, inflection, pause, literary devices and scansion for those interested in Shakespeare. Three monologues spoken by professional actors wrap-up the page Neutral American Section. This is followed by Classical American 88 pages , Mid-Atlantic 16 pages and Standard British dialects 62 pages , including accompanying exercises, audio selections for each adjustment covered, and three monologues spoken by professional actors for each of these dialects. The text book with downloadable audio and e-book, including audio selections accessible by simply clicking the screen, are offered together as a package. I credit him with the success I have today. If you want to fully realize your potential as an actor, this book is an excellent place to start. There is not a better teacher for actors than William Esper teaching the Meisner technique. There is no other Master Teacher like him. This book is the next best thing to being in his class. I learned what acting could really be It gives the novice and even the veteran actor a vocabulary and guidelines on how to solve the acting problems that any text presents. He helped me find a road map to my craft that has stayed with me along my journey as an actor. I am forever grateful to Bill for the wisdom and expertise he has shared. The Meisner technique is a masterful tool to guide the modern actor. Take the journey through this book and you will understand why. But that scared me because I had no control over talent. His method delivers consistent results. His words not only illuminate the Meisner technique brilliantly; they also serve as a beautiful rumination on how to live a creative life. He was and is my teacher and spirit guide. Bill Esper is a national treasure and he has generously shared his wisdom and effervescent soul through these books, and I am eternally grateful. His teaching of the Meisner technique is beautiful in its simplicity, clarity, and honesty. I think about his lessons day after day, in every role. She explains figures of speech, rhythms of speech and speech inflections and offers hundreds of practice texts from one-liners to tongue twisters to poems and speeches. Fletcher is a brilliant and sensitive teacher - her knowledge is faithfully represented in these pages.
