The fly fishing priest drove fifty miles to a river near the coast so that no one would recognise him. An angel up in Heaven was keeping watch and saw what the priest was doing. He told God who agreed that he would do something about it. With the first cast of his line a huge fish mouth gulped down the fly. For over an hour the priest ran up and down the river bank fighting the fish. At the end when he finally landed the monster size fish it turned out to be a world record Salmon.
