

## Chapter 1 : Gardner Fox - Wikipedia

*The World of Francis Cooper is a biographical exploration of Francis Cooper, who practiced photography as an aesthetic recreation while a medical student at the University of Pennsylvania. It offers an unusual perspective on turn-of-the century American photography by examining the work of an.*

Hawkman Carter Hall Describing the origins of Hawkman , Fox recalled, "I was faced with the problem of filling a new book that publisher Max Gaines was starting As I sat by the window I noticed a bird collecting twigs for a nest. The bird would swoop down, pick up the twig, and fly away. The Justice Society of America[ edit ] Main articles: Justice Society of America , Doctor Fate , and Starman Ted Knight Regularly writing more than six stories in five titles per month, every month throughout the early s, Fox continued to create new features. Fox had worked on the Hawkman, Flash and Sandman features in All-Star for its first two issues Summer and Autumn , but from issue 3 Winter , he assumed full writing duties for the issue, with all features by different artists working within the framing device wherein the characters were described as part of a "Justice Society". Hibbard , Fox created the first superhero team, the Justice Society of America. Schwartz called in to help". Fox scripted most of the Silver Age adventures of science-fiction hero Adam Strange , who debuted in the comic book Showcase 17 Nov. This event heralded more generally the concept of the DC Comics Multiverse , [42] a decades-long recurring theme of the DC Comics universe, allowing old and new heroes to co-exist and crossover. As Barry explains, "A writer named Gardner Fox wrote about your adventures -- which he claimed came to him in dreams! He can write the whole thing up Fox, who had written a number of historical adventure, mystery and science fiction novels during the s and the s, began to produce novels full time, using his own name and several pseudonyms. He produced a small number of comics during this period, but predominantly produced novels, writing more than in genres such as science fiction, espionage , crime , fantasy , romance, western, and historical fiction. The Man from O. Towards the end of his life, during , he worked briefly for Eclipse Comics including on the science fiction anthology Alien Encounters. He was survived by his wife Lynda, his son Jeffrey, his daughter Lynda, and four grandchildren. Hobbies and achievements[ edit ] During the course of his career, Fox can be definitely credited with about stories for DC Comics, [23] making him the second most prolific DC creator after Robert Kanigher by a considerable margin over his nearest rival. I have every book he ever wrote. The other is the mystery writer John Dickson Carr , whose style I admire tremendously Fox donated over fourteen boxes of comics, books, scripts, plot ideas, and fan letters dating back to the s. The episode was dedicated to Fox. In the sixth episode of the second season of Young Justice , during a disaster which destroys part of the city, the Flash directs a woman to a homeless shelter that is located between streets named Gardner and Fox.
