### Chapter 1 : Page 1 of 6 for Free Primary 3 Science Exam Papers - calendrierdelascience.com

*End of Year Science Tests for Years 3 to 5. Questions taken from past papers and based on the topics covered in QCA for science. For year 3 test, would recommend splitting into 2 parts, and providing help with reading.*

Access thousands of brilliant resources to help your child be the best they can be. What will they learn? And how can you help? Year 2 maths Children in Year 2 will learn to add and subtract with two-digit and one-digit numbers. They will learn multiplication and division facts for the 2, 5 and 10 times tables. They will learn about measures, including weight, capacity, length and time learning to tell the time to 5 minutes. They will learn to name and describe the properties of common 2D and 3D shapes. Year 2 children carry out activities where they interpret and construct pictograms, tally charts, block graphs and tables. Review all of these new skills and concepts with our range of free Year 2 maths worksheets. Year 2 English Children will build on their phonics work in Year 1 until they are reading words automatically, without having to sound out. They will continue to read a range of different stories, but also be introduced to non-fiction books. They will be able to apply the spelling rules they have learnt. They will be more confident in their formation of letters and will learn how to start joining their handwriting. They will have plenty of practice writing stories and will also write some poetry. They will be taught to use capital letters, full stops, exclamation marks and question marks correctly. They will also be encouraged to use sentences with two parts, joined by conjunctions such as when, if, that and because. More details of the Year 2 English curriculum are in our year-group subject guide. Download free Year 2 English worksheets to help your child develop their new grammar, spelling and writing knowledge. Year 2 science Under the new curriculum, Year 2 will learn about: Download them straight onto your computer, and print them off for your child to use. You can also review what your child has already learned in Reception and Year 1.
